

# FIN3R Annual Symposium

Improving the quality and translatability of biomedical research through the 3Rs principle

**November 6th, 2023**

**Biomedicum, Lecture hall 2**

**9.00** Morning coffee

**9.15** Welcome words and introduction to FIN3R and TOKES - Eero Lehtonen (University of Helsinki, TOKES vice-chair)

*Replacement session: Emerging non-animal technologies*

*Chair: Johanna Englund (Helsinki University)*

**9.30** Javier Jarazo (Organo Therapeutics, Luxembourg)

**10.15** Vesa Hytönen (Tampere University, Finland)

**11.00** Ulla Simanainen (European Chemical Agency)

**11.45** Lunch

**13.00** Posters presentation & coffee

**Biomedicum, Lecture hall 1**

*Reduction session: Examples from longitudinal studies*

*Chair: Mikko Airavaara (University of Helsinki)*

**14.15** Mirkka Sarparanta (University of Helsinki, Finland)

**15.15** Kimmo Jokivarsi (University of Eastern Finland, Finland)

**16.15** Closing the first day

**November 7th, 2023**

**Biomedicum, Lecture hall 2**

*Refinement session: Ethical and practical considerations for responsible research using animals*

*Chair: Vootele Voikar (University of Helsinki)*

**8.45** Anna Olsson (University of Porto, Portugal)

**9.30** Natascha Drude (Berlin Institute of Health - Charité, Germany)

**10.10** Vinko Palada (University of Helsinki, Finland)

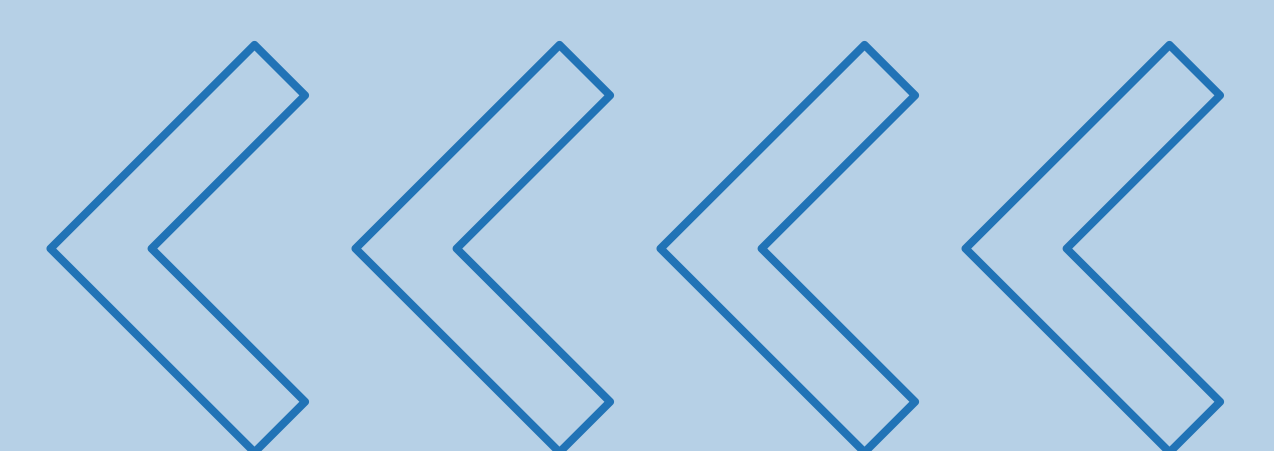

**10.45** Break

**11.00** *Keynote speaker:* Pirjo Laakkonen (University of Helsinki)

**11.45** Lunch

**13.00** *“Power analysis workshop”* Timo Petteri Piepponen (University of Helsinki, Finland)

**14.30** Coffee
