

Improving the quality and translatability of biomedical research through **3R principles**

For all researchers

- Personnel working with laboratory animals
- Students

1 ECTS

lectures + onsite workshop
(bring own laptop)

**7th & 8th
Dec 2022**

**Viikki campus
&  zoom**

Focus

- 3R principles
- Research reproducibility
- Science communication
- Reduction of laboratory animals
- Power analysis
- Estimation statistics
